

## LETTER FOR INTERNSHIP

Intern ID: 2025/M/012

12th May, 2025

### **Mr. Atman Kikani**

Vellore Institute of Technology,  
Kelambakkam - Vandalur Rd, Rajan Nagar,  
Chennai, Tamil Nadu - 600127

Coratia Technologies Pvt. Ltd. is pleased to accept you as an intern in ‘Autonomous Robotic System Development’ domain.

#### *Duration of internship*

The duration of internship will be from 13<sup>th</sup> May 2025 to 13<sup>th</sup> July 2025, unless otherwise terminated by either side giving 10 days’ notice.

#### *Place of work*

The internship will be conducted in both online and offline modes, with the location for offline work to be intimated two weeks prior.

#### *Nature of work*

During your internship, you shall work on the following: -

- Obstacle-Aware Underwater Drone with DVL-Aided SLAM with Periodic Wireless Uplink.

Mr. Amit Kumar Dash (Manager) will be your Overall and day to day work Supervisor for the internship.

#### *Stipend & Future Opportunities*

The current internship is unpaid. However, based on your performance during this internship tenure, you may be extended an option for 6-months paid internship followed by a PPO (Pre-Placement Offer).

#### *Acceptance*

If these terms and conditions are acceptable to you, please confirm your acceptance by signing this letter & sending us a soft copy of it. Additionally, the intern is required to sign a Non-Disclosure Agreement (NDA) before the start of the internship.

Biswajit Swain  
Director,

**Coratia Technologies Pvt. Ltd.**
